PROFESSIONAL PROFILE

Canadian citizen and International Medical Graduate (MD, 2025) from Latakia University (formerly Tishreen University), Syria. Formal medical education with hospital-based clinical exposure, surgical observership experience, and healthcare-related training. Prior volunteer service in Prince George, BC, including work at the BC Cancer Centre for the North and the Heart and Stroke Foundation.

Seeking clinical or medically related roles while preparing for postgraduate training and a future residency application through CaRMS. Also open to opportunities in web development, with hands-on experience in a range of development tools and technologies.

MEDICAL EDUCATION

Doctor of Medicine (MD)

September 2013 – December 2025

Faculty of Medicine, Latakia University (formerly
Tishreen University) — Latakia, Syria

HONOURS & AFFILIATIONS

Lifetime Member of **Golden Key International
Honour Society**

October 2019

York University – Toronto, ON

CLINICAL & HOSPITAL EXPOSURE

Pharmacy Assistant Training

January 2018 – March 2018

PG Gateway Pharmacy
Prince George, BC

- ➔ Exposure to medication dispensing workflow.
- ➔ Observed outpatient pharmaceutical services in Canadian setting.

Surgery Observership

January 2017 – May 2017

Al-Othman Hospital
Latakia, Syria

- ➔ Observed surgical cases and operating room workflow.
- ➔ Observed perioperative processes (pre-op preparation, intra-op flow, post-op handover).
- ➔ Observed multidisciplinary team coordination in the surgical setting.

**Emergency Department
Training**

May 2017 – September 2017

Latakia University Hospital
Latakia, Syria

- ➔ Participated in ED workflow and patient flow processes.
- ➔ Observed triage, prioritization, vital signs assessment, and escalation pathways.
- ➔ Observed interdisciplinary coordination in acute care (nursing–physician communication).

HEALTHCARE VOLUNTEER EXPERIENCE – PRINCE GEORGE, BC

Center Supporter Volunteer

November 2017 – November 2018

BC Cancer Centre for the North
Prince George, BC

- ➔ Supported oncology patients with refreshments and general assistance.
- ➔ Engaged in patient interaction within a clinical care environment.
- ➔ Played piano for patients as part of supportive, non-clinical volunteer engagement.

Administrative Office Assistant Volunteer

April 2018 – August 2018

Heart and Stroke Foundation
Prince George, BC

- ➔ Data entry and administrative support.
- ➔ Assisted in organizing school visits and fundraising events.

INDEPENDENT MEDICAL MODELING PROJECT (SELF-DIRECTED)

Project Lead & Conceptual Systems Developer

2020 – Present

<https://www.mctosh.ca> (in development)

- ➔ Developing a structured conceptual framework for organizing human biological systems into an integrated multi-level model.
- ➔ Designing and writing the coding component of a prototype diagnostic-oriented application.
- ➔ Structuring biological data across molecular, cellular, organ, and system levels.
- ➔ Conceptualizing diagnosis as identification of a patient's dynamic biological state.
- ➔ Building the technical architecture to translate clinical inputs into organized biological representations.

Full-Stack Website Developer

2020 – Present

<https://github.com/rudyhamame>

- ➔ Developing and maintaining my project website to support presentation and implementation of the medical modeling platform.
- ➔ Building front-end components using React.js, HTML, CSS, TypeScript, and JavaScript.
- ➔ Developing back-end functionality with Express.js, Node.js, and MongoDB.
- ➔ Designing the website architecture to connect user-facing interfaces with underlying project logic and data structures.
